Creare e-mail in Plesk

1 - Navigare modul Mail
Din meniul principal, accesați secțiunea **Mail**.

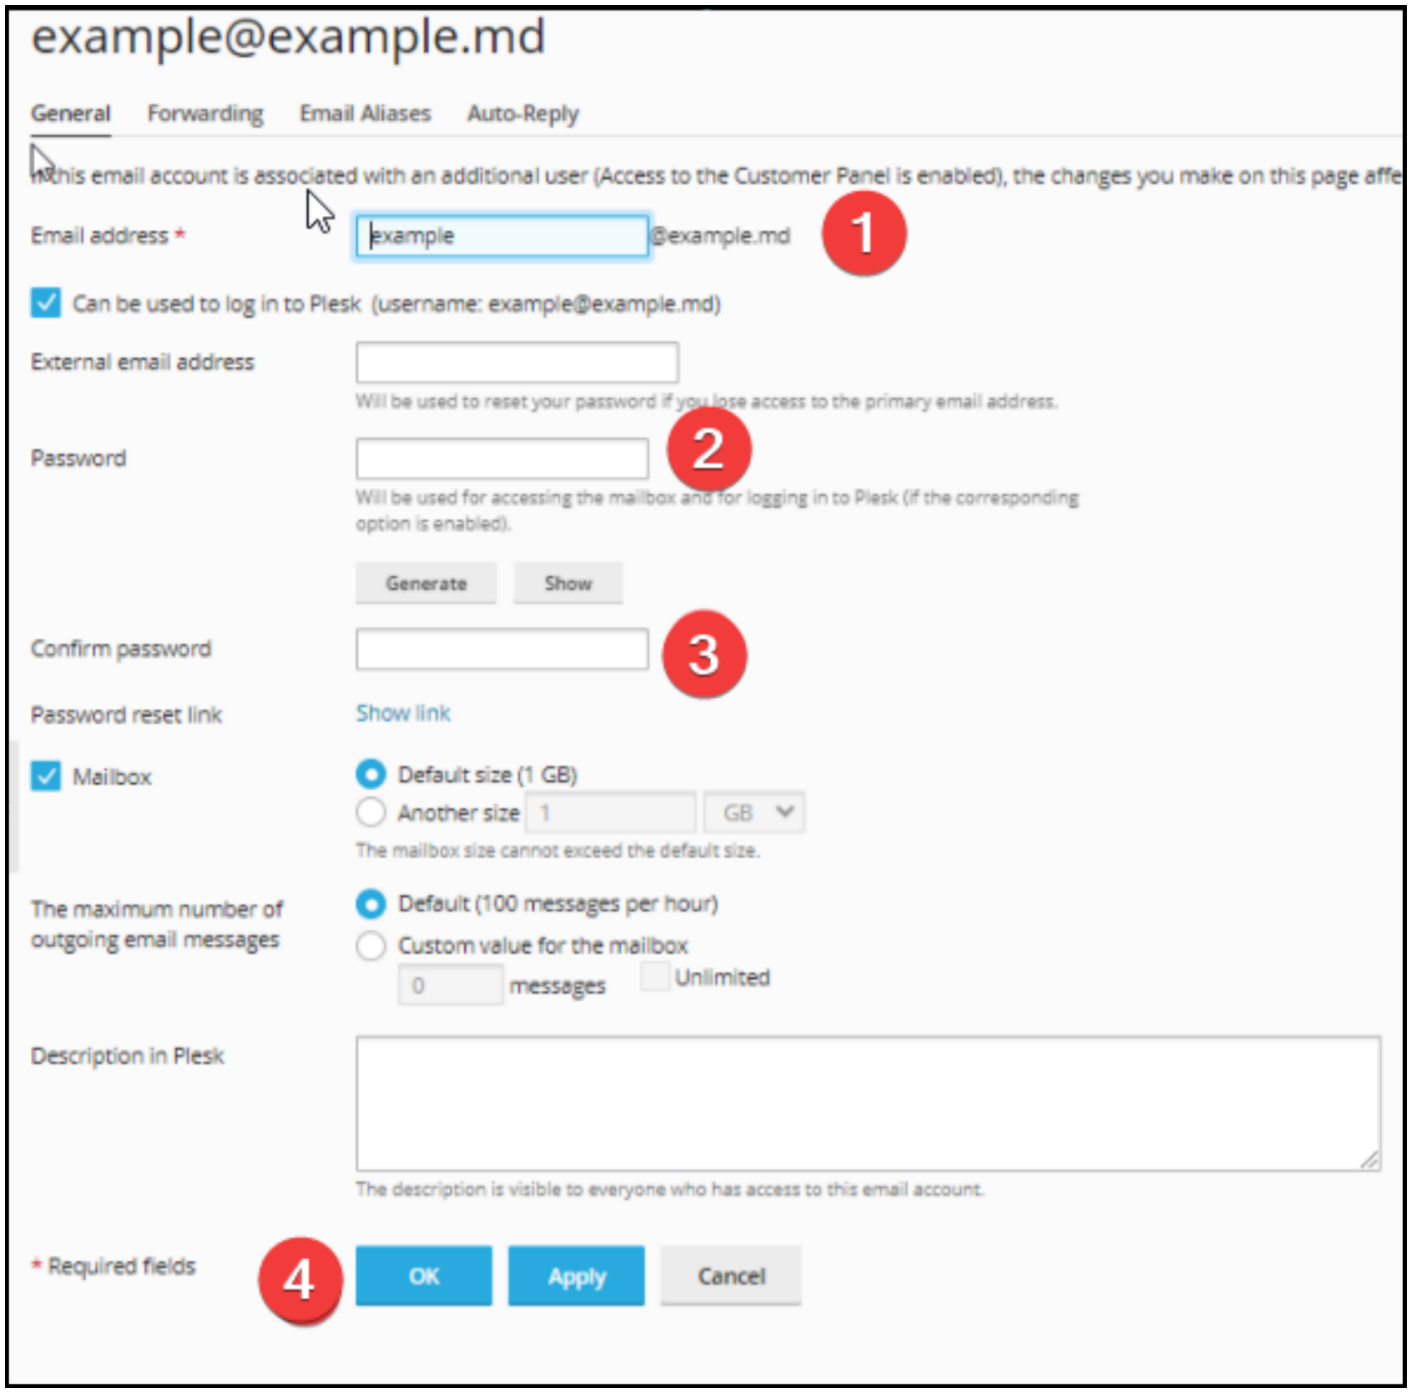

2 - Creare email
Faceți click pe '**Create Email Address**'

3 - Setare casuta postala noua

Introduceți numele casutei postale, o parola (sau apăsați **Generate apoi copiati parola generata**), confirmați parola în câmpul aferent, apoi apăsați butonul **OK** din josul paginii.
